### **DETAILED ACTION**

The receipt of the amendment dated January 7, 2005 of the application 10/681,794, including amendments to the specification, drawings, and claims, and cancellation of claims 13, 14, 16, and 17, is acknowledged.

#### ***Allowable Subject Matter***

1. Claims 1-12, 15, and 18 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Reasons for allowance of claim 1 was given in the office action dated October 7, 2004.

Claims 12 and 15 have been amended to include the subject matter of dependent claims indicated as including allowable subject matter in the October 7 office action.

No reference nor combination of references was found which teaches a power transfer apparatus of a four-wheel drive vehicle including means for detecting a gear shifting inversion of a transmission which transmits torque of an engine, wherein a control means controls a clutch that distributes the torque between a primary and a secondary wheel such that the torque transmitted attains a target value in accordance with a gear shift status signal detected by the means for detecting, as required by claim 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
